"Nikie is someone I would highly recommend, especially for leadership and management development programmes. She is highly proficient, very focused and seeks to achieve the best outcome for both company and staff. I have previously worked with Nikie and have found her to be a most professional, knowledgeable and experienced Trainer."
Jackie Rogers ~ Business PA

"Attended a fantastic session this morning on creative training ideas with the inspiring Nikie Forster of Curious Lighthouse. Sessions like these rekindle my love of teaching and remind me why I do it! Nikie can make any topic fun, thought-provoking and effective, at any level of a corporation. Invest in your people and get her involved!"
